

hi! this font is an independent project designed for academic purposes by three students. this license describes what you can and cannot do with the font you just downloaded.

end user license agreement (EULA)

by downloading this font, you are automatically agreeing to the following terms:

what is allowed:

- personal and commercial use - for you or for a client's projet;
- using this font in whatever project you desire;
- use for commercial projects such as t-shirts, mugs, etc., as long as the typefont isn't the main element;
- using this font for branding purposes for clients - if they wish to utilize it, they must download on their own, separately.

what isn't allowed (unless specifically permitted):

- modifying the font;
- reselling or resharing the original files (even if for free);
- provide original file download in whatever places (projects, sites,etc.);

it is recommended:

- that you name and credit the typeface in your projects;
- that you link the site where you downloaded the typeface so other people can enjoy it as well. :)

this license covers user's rights, but all licensing rights are reserved to the creators.

we don't guarantee full functionality across all devices.
we aren't responsible for compatibility issues.
