NOTES

Thank you for downloading! It's great knowing that you're planning on storing this in your ever expanding typography collection! I trust you will enjoy using my typeface as much as I did creating it!

Typefaces are being shared as Free for Personal & Commercial Use with open donations.

If you are using a typeface(s) for commercial purpose and are making a profit, consider a donation no matter how small. Developing a full typeface, testing and release is extensive and this helps support the development of more typefaces.

All typefaces are beta tested, but if you do see something that isn't quite right or have a need for further characters contact me.
